HAMILTON FRASER LAUNCH NEW UK HOLIDAY HOME INSURANCE

Hamilton Fraser Insurance is pleased to announce the launch of their new UK holiday home insurance.

Obtaining suitable insurance for your second home or holiday cottage in the UK can be difficult and expensive due to many factors such as the property being unoccupied for long periods, the risk of burst pipes or flooding during the winter months and the possibility of legal action from injured guests.

But Hamilton Fraser has the solution. They have just launched a new UK holiday home scheme offering comprehensive cover at a very competitive rate.

The new policy which is available direct from Hamilton Fraser includes building and contents cover and legal protection as standard.

Eddie Hooker, Managing Director of Hamilton Fraser Insurance, said:

“We are really excited about our new holiday home insurance product. It is a fully comprehensive policy at a good price that caters for family holiday homes and properties let on a short term agreement.”

For immediate cover, or for more information on what Hamilton Fraser has to offer, call **0845 310 6300** or visit www.hamiltonfraser.co.uk.
